

## **ST. JOHNS INTERNATIONAL SCHOOL**

### **ANNUAL DAY REPORT**

Greetings of the day!

I heartily welcome you all, I am indeed honoured to have this opportunity to present before you the consistent upward graph of our school's achievements and I would like to thank each one of you for being a significant part of the glorious journey.

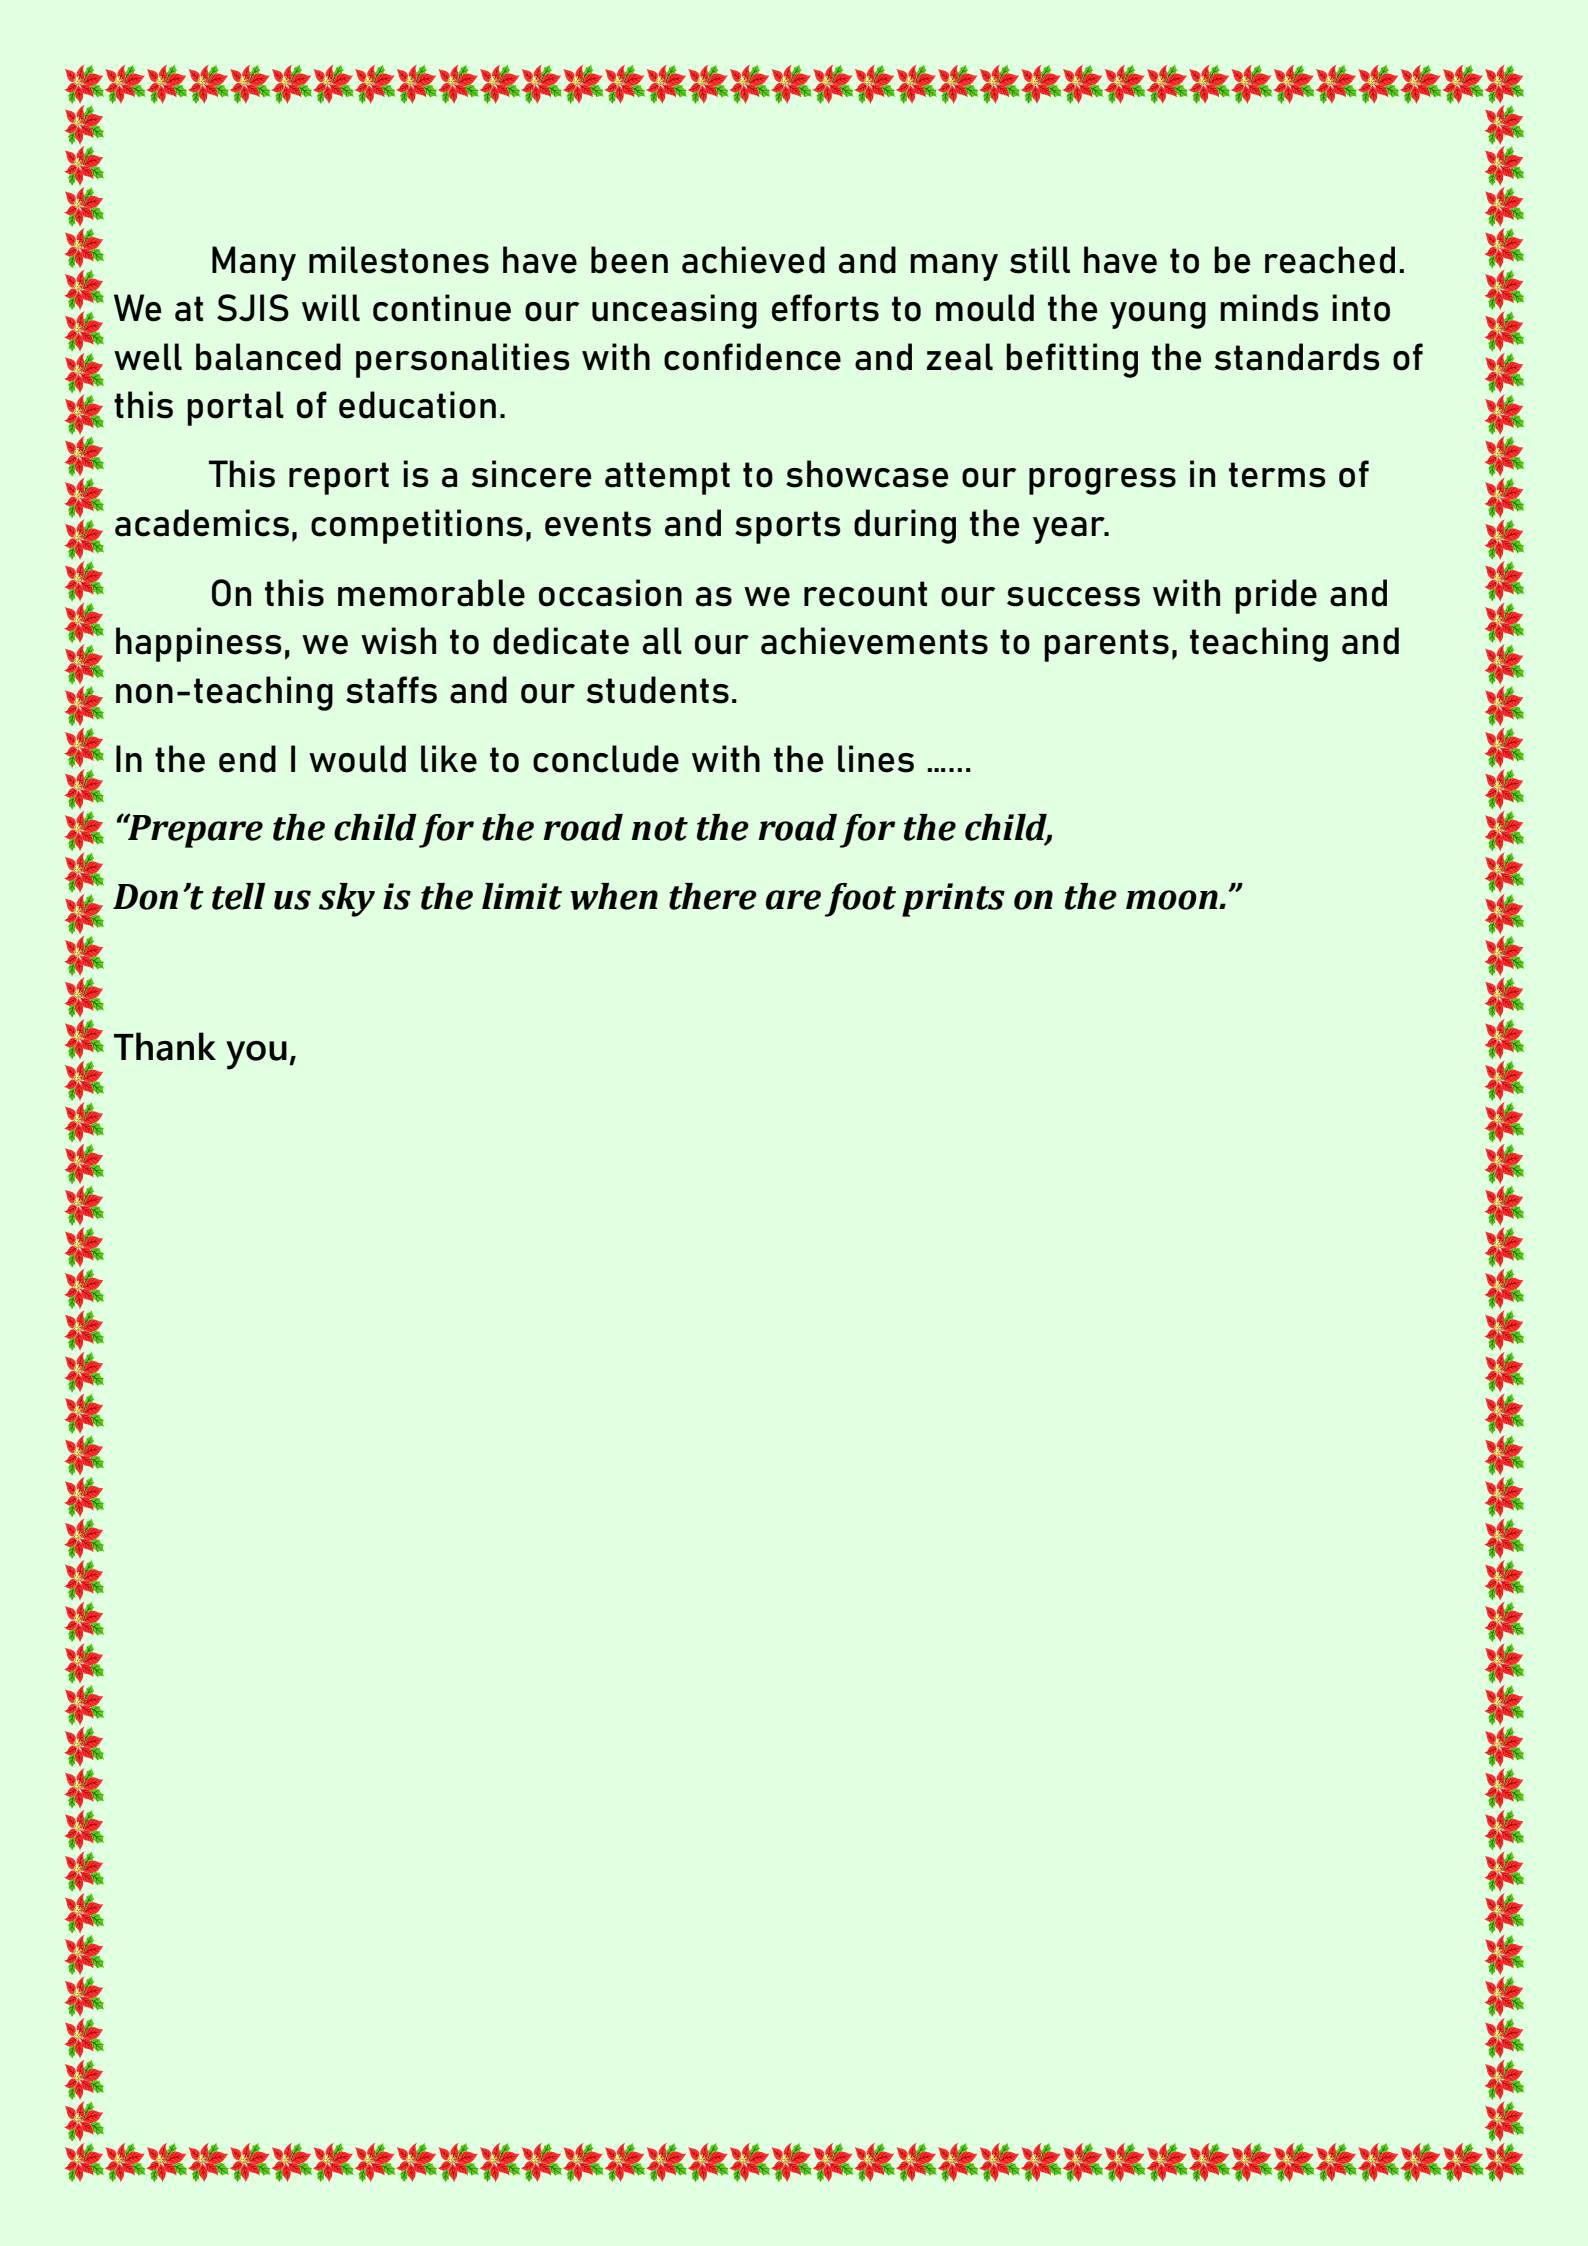

The annual report showcases the achievements and glories of our school also makes us to think deeply about our future up comings. We have always been committed to create an environment in school which helps young minds to blossom, and provide a platform for thinking and holistic development of child's personality, as academic session witnesses repositioning, reconstructing and refocus.

Post covid-19, the academic year 2022-23 was challenging in terms of academics and discipline. In order to have strong foundation, students were taught basics in terms of writing and reading followed by academics. The classroom strategies include aim of the day, keywords, teaching aids, learning objectives and outcomes, students or teachers' activity, showing content related videos over smart boards and the conclusions. Regular CT / Test / Exam was conducted followed by regular PTM.

Many competitions were conducted such as clay modelling, poster making, elocution in English, Hindi and Kannada, Handwriting, colouring, prayer/shloka, Rhymes, fancy dress and storytelling. Students participated actively, winners were awarded with medals and certificates.

Many events were held during the academic year 22-23 such as Earth's Day, Tiger's Day, Traditional day, Grandparents Day, Farmer's Day, Hindi Diwas, Health and wellness, Graduation Day, Reading week, Special assembly, Bulletin Boards, Maths and Science Day, Teacher's Day celebration, Independence Day celebration, Children's Day celebration, Christmas celebration and Makara Sankranti celebration. Students rejoiced, got thrilled and cherished their memories with photo session.

Sports events such as running race, frog race, hurdles crossing, skip race, transferring the ball, balancing the hat, getting ready to school and throw ball matches were conducted and winners were awarded.

Many milestones have been achieved and many still have to be reached. We at SJIS will continue our unceasing efforts to mould the young minds into well balanced personalities with confidence and zeal befitting the standards of this portal of education.

This report is a sincere attempt to showcase our progress in terms of academics, competitions, events and sports during the year.

On this memorable occasion as we recount our success with pride and happiness, we wish to dedicate all our achievements to parents, teaching and non-teaching staffs and our students.

In the end I would like to conclude with the lines .....

***“Prepare the child for the road not the road for the child,***

***Don’t tell us sky is the limit when there are foot prints on the moon.”***

Thank you,
