

ST. JOHNS INTERNATIONAL SCHOOL

2022-2023

## CHRISTMAS DAY CELEBRATION

Christmas is celebrated in school to inculcate the joy of sharing, caring and treating everyone equally.

Christmas is a festival celebrated on 25<sup>th</sup> of December every year across the world. This is followed as a religious and cultural celebration. Christmas is commemorated as the birth of Jesus Christ who was born in Bethlehem.

It's the season of sharing, spreading joy and happiness. Christmas trees, lights and stars could be found everywhere. Carols would be sung with lots of joy.

Students of SJIS celebrated their Christmas party on 23.12.2022. The theme for the day was Red Day. All the students were dressed in Red.

The day started off with class wise photo sessions. Many programmes were planned for the students.

The event included lighting the candles by our Principal and the teachers.

A welcome speech was given by a student from Grade8. Our Principal addressed the students on this beautiful day followed by a welcome dance by girls from Grade5 to Grade7.

Christmas carols were sung by all the students from Nursery to Grade9. A Christmas speech "All about Christmas" was delivered to the students.

There was a surprise visit by Santa Claus who made the day even more special and memorable for all the students. Happy spirits filled the air as all the students rocked the dance floor when a surprise song was played.
