## **GRANDPARENTS DAY CELEBRATION**

Grandparents are a family's greatest treasure, the founders of a loving legacy, the greatest story tellers, the keepers of traditions. Grandparents are the family's strong foundation. Through their special love and care, grandparents keep a family close at heart.

To honour the primary section students beautifully sang a song. Then our little ones from nursery, LKG, UKG and Grade1 students dedicated some sweet dance performance to their grandparents.

Some fun activities and games were organized for the grandparents, like guess the song and pick and speak. They enthusiastically participated in all the events. The grand parents were very sportive and brought out the child in them

through their active participation. Teachers of St. Johns International were very happy to see the happiness in the faces of all the grandparents who made the most of this wonderful thoughtfully planned by the teachers, so as to make the special day memorable for all the grandparents.

Snacks were then served and our Principal greeted all the grandparents. At the end a vote of thanks was given by our teacher Mrs. Sinthiya, it was indeed a highly emotional and satisfying morning.

The success of the event was evident through the joyful smiles of the grandparents as they were over to see their grandchildren performing for them.

At last our program was finished by a photo shoot of grandparents with their grand children's. later the photo's was send through whatsapp for all the parents.
