Dear Parents,

As per the Cybercrime Awareness Initiative, we request all parents to support and guide their children in practicing safe and responsible online behaviour.

With the increasing use of digital platforms, it is important for students to be aware of cyber safety, cyberbullying, online fraud, identity theft, and other online risks.

We encourage all parents and students to:

- Complete the Cyber Hygiene Certificate Course available on the I4C website:  
<https://learning.cte-i4c.live/>

Let us work together to create a safe and secure digital environment for our children.

Thank you for your cooperation.

Warm Regards,

SJIS
